MISSED APPOINTMENT /CANCELLATION/TIME CONSTRAINT POLICY

We take great pride in the time and service we provide to our clients. We take your time seriously and are committed to serving you with the highest level of respect, integrity and in the most cost effective manner. While some client cancellations are inevitable, cancellations with less than 24 hour notice, missed appointments, no shows or being late for a scheduled appointment, have unfortunately become a great expense to our organization.

We will institute the following cancellation policy:
There will be a $50.00 charge for each cancellation/no show without a 24 hour notice

I have read and understand the above policy. As an active client of Hyperbaric Med Spa, I wil adhere to this policy and will be financially responsible for any fees incurred as a result of this policy.
